The Division of Lanao del Sur 1-B is moving forward with its effective strategy on improving school management and teaching efficiency. Trainings on schools management were conducted last month, attended by schools administrations school principals and elementary principals together with their District Supervisors to strengthen management and leaderships of the school officials. Headed by our very own, Sangcad D. Benito, Alhadj, Ph.D, and his active Asst. Schools Division, Somerado Pandapatan, Ph.D, together with promotional staff and Division administration, they enhanced by keeping Mobile Training to every Districts and Municipality of Lanao del Sur Division 1-B.

The Municipality of Piagapo has Welcome the Mobile Team last August 18 until 19 of this year. The said Training was attended by Elementary teachers, and High school. The West District was headed by Supervisor Tantaraga L. Bato while the East District is by Hadji Abdul Rahman Macapanton Otical. Four Secondary schools bloom from this Municipality, like the Acoon MNHS headed by Hadja Anisah Yasreen Macatanong-Datu, circuiting the Macatnong MNHS of Bualan. The Piagapo National High School considered next to the length of services of Acoon MNHS is lead by Andang Manalocon and Bubonga-Maranatao lead by Hadja Sinab D. Cabugatan. The community and the teachers have warm applause towards the said training. This is the first training done by the Division Office to teachers and School Administrations together with the principals and Head As the Schools Division Superintendent opened the program, the crowd

cannot believe to make this affair a success. The Division Superintendent tackles on the overview of the Training, thus enumerating the limits of the Training. The Asst Schools Division Superintendent follows next and making the purpose clearer to the participants.

Series of lectures from the Division Promotional Staff high lights the affair. On the second day of the Training, the Sangcad D. Benito Alhadj, Ph. D. came for the closing ceremony. Though the crowd was in hurry because of the peace and order instability, the participants waited piteously to listen for the words that the Superintendent has for the teachers. It is expected that the participants can implement effectively upon their return on their respective stations.

We say Mabuhay to the Division 1-B for the job well done...MABUHAY!
